**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 CFR 1.137(b) (Large Entity)
Remarks by Applicants**

Dear Sir:

Through a review of the above-referenced case, it has come to Applicants' attention that the time limitation allowed by the USPTO to respond to the Non-Final Office Action mailed on August 17, 2005 has lapsed without Applicants' timely response having been filed.

The error stemmed from Applicants' reliance on CPI, a patent management software system that is used for docketing actions, which did not indicate receipt of the Non-Final Rejection. Applicants have experienced some staff turnover at the time, and it appears that the action was unintentionally omitted from being entered into the docketing system. (Please see Exhibit "A".)

Accordingly, Applicants respectfully request that the enclosed Response to the Office Action of August 17, 2005 be reviewed and accepted to enable continuation of prosecution.

If the Examiner has any questions, the Examiner is invited to contact the undersigned at (203) 461.7017. Please charge any fees that may be required for this paper, or with any other papers filed in connection with this application to Deposit Account No. 50-0271.

Respectfully submitted,

August 25, 2006
